

STATEMENT OF PURPOSE

RS29496 / H0621

This proposed legislation is designed to meet the cybersecurity needs of Idaho and its political subdivisions. For ease of use, the proposal creates a new exception in the Public Records Act to exempt material related to the nature, location, or function of cybersecurity devices, systems, or programs utilized by a governmental entity. Additionally, the proposal will allow a governmental deliberative body such as a city council or board of county commissioners to enter executive session as allowed by the Idaho Open Meetings Law to discuss the nature, location, or function of cybersecurity devices, systems, or programs.

FISCAL NOTE

This legislation will have no impact on the state's general fund, any dedicated fund, or the funds of political subdivisions of the state of Idaho.
